

ORIGIN

Our company started in the early 80's as a family business with the purpose of satisfying thelighting needs in the beginnings of the tourism industry development.

Our first project was EUROTEL located in Playa Dorada, Puerto Plata in the north coast of the island.

MISSION

To offer products and services of top international quality to compete in price with overseas manufacturers in order to increase our position in the local and export market.

VISION STATEMENT

To be the best and more reliable company in the manufacturing of decorative lighting elements.

VALUES

Customer satisfaction, integrity and productivity.

LOCATION

Our company is located in Santo Domingo, capital city of Dominican Republic.

Dominican Republic territory is ¾ part of the Hispaniola island in the Caribbean area.

Our excellent geographic location is very strategic for the exportation of our products to North, Central and South America. Also bein g part of the NAFTA Agreement allows us to sell our products free of export taxes.

INFRASTRUCTURE

We own a piece of land of 1,000 square meters with an industrial building of 600 mts2.

Lamp Bases

We manfacture all type of lamp bases with our customers design requirements in different materials, using ceramic, clay, wood, steel, stainlessteel, aluminum, wicker, rattan and plastic.

Produce different types of lampshades with all materials imported from USA and finished products complying with American quality standards using a wide variety of materials as styrene, wicker, metal and fabrics.

Wall Sconces

Since we started we have been manufacturing with our customers specifications

the following products.

SERVICES

Assembly of all types of lamps with elements chosen by our customer.

Powder coating painting

Water transfer printing

Manufactured with styrene, iron, stainlessteel, acrylic, always with specifications provided by our customers.

Floor Lamps

Made with iron or wood with our customer's specifications.

PORTFOLIO

There are more than 65,000 hotel rooms in Dominican Republic that assures us a big market for our products.

Investors from different countries own several hotels here as RIU, Melia, Bahina Principe, Sheraton, Westin, among others. These hotels have bought our products because of the good quality and the competitive prices.
